CLEANING POWER 5

FOGRA / OEM APPROVAL

00465 ORANGE WASH

FOGRA APPROVED ROLLER & BLANKET WASH

Application

Automatic roller and blanket wash. Suitable for any sheetfed or web offset press equipped with automatic washing unit. May be used as a manual wash.

Benefits

Fully FOGRA and OEM approved wash. Aromatic free formulation for high level of safety. Top of the range with intensifiers and corrosion inhibitors.

Instructions

Add neat to any press automatic roller or blanket wash unit. Can also be used successfully manually for hand blanket washing and general cleaning. Maximum effectiveness and is obtained by mixing with water

up to 50% to activate emulsifiers (or higher for maximum economy). Inbuilt rubber conditioners maintain rubber suppleness and reduce durometer creep.

“Hi tech solutions for tomorrow developed today”

Fluid Technologies

Committed to excellence and distinguished by high quality innovative technology.

With a vision to revitalize the industry, its philosophies, and technologies.

Fluid Technologies has a sole focus on technologically driven fluids for the Printing Industry.

Partner with the true press chemical professionals for superior products, realistic prices and exceptional service!
